Re: F-2007-0326
U.S. Army Corps of Engineers/ New York District
Permit Application - Rockland County DPH
Replacing the pavement section, improving the
roadway cross-section, replacing existing sidewalks
and curbs, providing adequate surface and
subsurface water collection and discharge systems,
replacing deficient retaining walls along the east
side of the road, correcting guide-rails deficiencies
and providing additional materials for stabilization
and guide-rails as required.
Grand View-on-Hudson, Rockland County
General Concurrence

Dear Mr. Bayer:

The Department of State received your Federal Consistency Assessment Form and consistency certification and supporting information for this proposal on April 10, 2007.

The Department of State has determined that this proposal meets the Department's general consistency concurrence criteria. Therefore, further review of the proposed activity by the Department of State, and the Department's concurrence with an individual consistency certification for the proposed activity, are not required.

This General Concurrence is without prejudice to and does not obviate the need to obtain all other applicable licenses, permits, other forms of authorization or approval that may be required pursuant to existing State statutes.
